## 1. LISTEN TO THE TEXT AND ANSWER THE QUESTIONS.

### GRAND CANYON

Do you want to walk in the sky? Welcome to Grand Canyon with its mountain peaks, valleys and awesome diversity of nature.

Completing the view, an observation deck was built with glass and finished on March, 2007. The place allows the visitors to see the Colorado River that carved the Canyon over 15 million years, spanning 277 miles long. This deck is called "Skywalk" and it is located on an indian reservation in Arizona.

# Unit 1

**NOW READ THE OTHER PART OF THE TEXT AND PUT T (TRUE) OR F (FALSE).**

## THE HISTORY OF KARAOKE

An old story says that a long time ago, a bar owner had contracted someone to perform in his bar. But the performer didn't appear, so the owner asked people if they wanted to sing. From this simple way, Karaoke has spread not in Japan, but throughout the world. However, the origin of Karaoke is still obscure.

Technological ways moved Karaoke from tapes to CDs and put videos with on screen text prompts for those people who are unsure to sing.

Nowadays, the technology comes with home Karaoke sets. So, people can learn to sing at home and practice any other language. It is a fantastic thing!

## DO YOU KNOW THAT?

**A.** Some nouns may have two plural forms:

buffalo – buffalos/buffaloes

mosquito – mosquitos/mosquitoes

tornado – tornados/tornadoes.

**B.** In a compound noun plural with prepositions or adverbs, we added “s” to the first noun generally.

mother-in-law – mothers-in-law

passer-by – passers-by

runner-up – runners-up.

But in:

errand-boy – errand-boys

godfather – godfathers

maidservant – maidservants

stepdaughter – stepdaughters.

**C.** In an open form compound noun, the standard pluralizing rule is to add an “s” to the main noun.

For example:

“half brothers” or

“sergeants major” or

“post offices.”

**D.** The “s” can also be added at the end such as in the case of “six-packs” of soda.

**E.** In compound nouns that include the words man and woman, the two words go into plural:

woman doctor – women doctors

manservant – menservants.

Exception: “Police”

policeman – policemen/policewoman – policewomen.

## 5. PUT INTO PLURAL THE WORDS IN THE BOX.
