WELCOME TO THE MAYAN CIVILIZATION

One of the greatest civilizations in Central America was the Mayan. They were excellent in different ways. They were good engineers, they built magnificent cities with huge stone temples. They didn't have any idea about some things but they developed an advanced system of writing, Mathematics and Astronomy, which they used to calculate an accurate calendar. Religion was part of their lives. They worshipped hundreds of Gods, because there were many clues that came from the sculptured and painted representations of their ceremony sites. The ancient Mayans can be long remembered for their remarkable advancements in Arts, Science, and Religion.

(from: <http://factsstaff.ggc.edu/> - Adapted)

The Mayans had an advanced calendar system. First, it consisted of 260 days each one with a specific name and symbol.
